

## **Vicki Smith**

### **Administrative Director**

Vicki comes to the DEF after her first career, where she spent 39 years in public education. Thirty-six of these years were in Duncanville ISD where she was an English teacher at DHS, the first Technology Trainer in the district, and retired as Director of Technology. She received her BA and MA from Austin College in Sherman, Texas. Vicki considers Duncanville 'home,' and her husband and two sons all graduated from Duncanville High School. In her spare time, she enjoys spending time with family (including her three grandchildren), reading, and crafting.
